The Lady:

Just look on her pictures, very good looking, what is not on the pictures is her beautiful smile.

The Story:

A nice back massage culminating with her reaching between my legs to find me very hard, then I turned over and she slipped on the condom. She stroked me and I went down on her for some very passionate reverse oral - she is very flexible and I soon had her legs in the air while I rimmed her! She gets incredibly wet and told me to 'keep licking' in no uncertain terms!! I've no doubt she came... and then I laid her on her back and slid inside. Didn't last long because I was so turned on. All in all a very nice experience!
