The Lady:

5'7" tall with long black hair and an overall body tan. Wearing a sexy santa outfit with no knickers. A very nicely trimmed pussy with big juicy lips.

The Story:

Started giving her a good licking out which she throughly enjoyed before the tables her turned and she had her cock in her mouth. Very good technique with plenty of biting which I like. Then over to the main event,started in the laether armchair in the corner with me sat down and hloe riding me hard. Good fun but tiring so with moved over to the bed and finshed with me on top. Over all fully recommended.
