The Story:

Bonnie is a fantastic woman that I have been visiting since 1998, in various locations in Swindon. (This is my first reoprt) Bonnie and I have knowen each other for a long time, and we feel at ease with each other. Bonnie will, once you get to know her, offer OWO, and as we have known each other for such a long time, we will go full sex BB. I was offered 'A' on my last visit, and she has the most beauriful arse that any man would enjoy covered or not. I got mine BB, and for her age she is the tightist that I have come across.

This woman/girl is the best that you could ever find in Swindon, and I urge you to become a regular and do not go with anyone in between.
