The ultimate BBW. As described in other field reports.

The Story:

Not seen Trisha for a while but won't be leaving it so long next time. She is probably one of the best girls in Leeds and gives a genuine GF experience.

She really makes you feel welcome and had a great hour spent with her (modesty and shyness mean I won't describe the details) but this was an hour that was fully enjoyed.

I'd see Trisha every week if my bank account would permit it.
