### The Story:

Opened door dressed in see thru cami top, great boobs on view, friendly welcome. Upstairs to bedroom, started with talc massage on back, great attention to bottom, rolled over for OWO which was great, sexy eye contact, Sally also used her toys on me. Sally moved up a few times for a fantastic tit wank and to let me play with her fantastic tits. Slipped finger inside her, very wet indeed, enjoyed me playing with pierced clit. On with condom and vigorous pumping and panting until I shot my load. Sally has awesome silky skin and seemed happy for me to touch her. This was my first punt and I couldn't have wished for it to go any better.
