The Premises:

Nice, safe & well decorated flat. Very homely feel to it.

The Lady:

Sight for sore eyes, to me Hayley is a stunner. Very soft skin, large boobs and she's very cuddly. Very clean.

The Story:

Started with me talking as she is also from England like myself. She then did a lap dance and invited me to stand behind her, well that did the trick and some growth down below started. On with a jacket and she knelt before me for a blow job, in 50 years this is the first time i have had this done standing up. Then on to a titty shag and came over her chest. I then gave Hayley a long cuddle and genital kisses. She responded with all the right noise's and actions, i'm sure she was getting something out of it, then in a flash went down on her this made her purr and she became very wet. Tried to keep her on the edge for a while as it was so nice but she then exploded and we had another cuddle very complimentary re my skills. Got hard again not difficult in Hayley's company on with jacket and she jumped on top, the sight of her boobs and the smell etc was special finally came again. She said it was not fair as it was 2-1. She did not clock watch at all. Hayley is by a mile the best woman i have ever had the pleasure of sleeping with, great company as well. Just a shame she live's so far away.
