The Lady:

Very pretty in a natural way. Pert, firm and enticing body. Long blonde hair. Well-dressed and presented. Very quick to display a lovely smile.

The Story:

Susie, apart from her physical attributes, was very articulate and interesting to talk to. The 2 hour appointment gave us time to relax and get to know each other before moving on to the physical side of things, which ultimately made them all the more exciting.

I am not one to go into graphic details; her web-site outlines her services, and those we indulged in were delightful. Susie was eager to please, and seemed genuinely concerned that I should have the best time possible. She mentioned (and I had seen) that a recent FR had been less than enthusiastic, and this had upset & perplexed her. I'm here to state that I had a wonderful experience, all that I'd hoped for and anticipated. It would be easy to be captivated by her charm and personality; consider me a prisoner.

This is a first time genuine report from a long-time lurker - I would recommend Susie unreservedly. I miss her already and look forward to meeting up with her again in the New Year.
