The Lady:

Both ladies turned up looking stunning which is something that is to be expected from any of Janes girls. Samantha wearing black trousers and a lovely white fur jacket with a figure hugging blouse underneath. Becky was looking stunning in a black trouser-suit with a wrap around blouse, both girls looked like a million dollars but not overdone.

The Story:

These two ladies worked together better than anyone I've ever seen before, both were great fun to be with and out of respect for them both I'm not going into the sexual details. Anyone out there who want's a two girl exp these two ladies are the ones. I'm definatly saving up for a full night with them.
