The Premises:

Scorpio Sauna is a pleasant location with good showers and clean towels, the rooms are a little basic and the mattresses a little on the cheap side but overall its clean and pleasant. Could do to be upgraded and decorated as its now all a bit jaded looking.

The Lady:

A beautiful young schoolgirl-type body with bunches and a skin which is so nice to touch. Excellent manner and good to talk to, Zoe puts her customers at ease with her pleasant smile and sexy walk. Going down the corridor to the room and watching the sway of that tight little bum and thinking of whats to come is such a pleasure!

The Story:

When we got into the room Zoe immediately stripped her top off and showed her delicious boobs totally unselfconsciously and then jumped up beside me and started a conversation whilst we hugged and kissed a little--nice lips. I declined the massage and as we talked she gently fingered my cock which was already up and ready for action. Zoe enjoys being touched and is happy to let you touch anything--she has a delicious unshaven pussy--totally natural and the smell of her cunt is to die for. Fantastic oral (without) and hand-work and a superb not-over-tight fanny. Altogether a wonderful experience.
