The Story:

Everything started well from the very beginning, Karina dressed in nice hold ups and sexy stuff as I asked. Many times you come across girls pretending to be 18 but actually are 25. That was not in Karina's case and her beautiful skin and booty was the proof. She has a great smile and speaks very good English. She greeted me her lips; she's a great kisser. Then she hugged and dragged me to the bedroom. Music in the background and started to take off my clothes. I took hers off slowly and she started with an expert bj. She likes all the positions and cuddled near me after I came. After a quick wash we started with round two, which was even more vigorous. Great experience, pity she is going away for Xmas, I will have to wait until January for her return.
