### The Lady:

All gprgeous in their own way - plenty of variety - big, small, supersize, tall blonde, brunette

### The Story:

This was my second party and, unike the first, the numbers were perfect for the punters enjoyment. The bonus was we all got on really well. The girls seemed to all be on fine form - true sexperts in their field! I had the pleasure of being sucked by and fucking all the girls apart from Cilla (sorry Cilla but it had been a long day!) at least once. It was also a voyeurs dream with plenty of action in the 3 rooms to watch - and wank over!! The girls were so good it would be unfair to pick anyone out but suffice to say there were 1 or 2 champion cock suckers and 2 or 3 who really should be fucking for England (and France LOL:).The highlight was being seen to by Sara, Victoria and Abbie at the same time - I must have been a choir boy in my past life to have deserved that!!! An event never to be forgotten and not to be missed in the future
