The Premises:

Behind a small row of shops. suited to purpose punting flat. It is clean, large bed, and a good shower and towels available, bit like a Soho walk up. She gave pretty good instructions when I made the booking.

The Lady:

She is about 5'8" tall, skinny with brown eyes, long brown hair, small but nice tits late 20's. Size 8/10. She was wearing nice sexy underwear which is not so much the norm these days.

The Story:

Bristol Punter88, put a rather daming report on a girl I have been meaning to shag for sometime, followed by a better one from Weewilly Wickedtongue a punter I have followed into several places (not literally) but made me decide that for 50 quid I woul see for myself. We Nadia and I not WWWT started by kissing passionately. Some quality OWO then followed to completion, then more passsionate kisses and reverse oral til she came, I fucked her to finish in the missionary position. Top gir top Punt well done Nadia
