### The Lady:

In a few words this lady is a total goddess a real knockout. Long dark hair with a figure to make your eyes pop out real sex on legs.

Erika wore a black mini dress which complimented her figure perfectly, topped with a short jacket and the most skimpy underwear underneath, Yet again another triumph from Janes agency

### The Story:

I had only booked an hour with this lady but on arrival I felt like a kid in a sweetshop, within 5mins it was three hours. Erika was great company a super convasationalist and very witty and intelligent. This lady has a superb body and really knows how to use it, heaven is where she took me and back over and over. I would gladly bankrupt myself for this georgeous piece of womanhood. I dont know where Jane finds these ladys but Erika is really going to take some beating.
