The Lady:

Karina is gorgeous. 19 years old. Beautiful face and figure. Slim, Short. Very curvy. She wore tight black pants, black sweater and black high heeled leather boots. Takes your breath away. She is far more attractive than the pictures.

The Story:

Karina is a real beauty with a charming personality. Her English is excellent and she makes great conversation. She is bright, cheerful and fun to be with.

I offered her a drink which she accepted. We talked for a few minutes about her university studies.

Her eyes and smile are quite intoxicating. Combined with her great personality, she really feels like your girlfriend.

After watching her walk across the room in those tight pants, I could not stand it any longer and put my drink down.

Her kissing is incredible. She is absolutely eager to please and seems to really enjoy every moment. I helped her out of her clothes while french kissing her. Her skin is smooth, her body is perfect.

She gives an amazing OWO. After awhile, she put the cover on (she does this using her mouth. nice.). We started in a mish and then she turned around to let me see her beautiful back and hair while I finished. Won't forget that image, ever.

We talked and cuddled in bed for quite awhile. She is very warm and sweet.

Round two just before time was up. Very, very satisfying.

She has a special energy that you feel while spending time with her.

Karina, thank you. I will see you again soon.
