The Premises:

Nice smart G/F flat - shares it with the equally lovely Evita

The Lady:

You can see her pics virtually everywhere - New Stars, London Escorts, Escorts of London, Agency Provocateur - and they are all true, except she is even more lovely when buck naked bouncing on the end of your cock. Beautiful soft skin, very fit and really enjoys her sex.

The Story:

The welcome was generous and cheerful, she produced a very acceptable glass of wine (which is a nice classy touch), she can speak good English when her mouth was not otherwise full - and she is a VERY enthusiastic young woman. One of the sweetest cunts I have eaten for a long while (and she certainly lets you know loudly how much pleasure that is giving her) and the sex is in every position you want or can imagine.

Cannot imagine why she has not acquired FRs - she is not so wildly demanding as the current star of the EEs, Stephanie (God, I've had an erection just writing that !, but she is truly beautiful and having her riding on you should send anyone happy into the night.
