The Premises:

The house was basic but clean with good parking. It was in a residential area but felt safe and discreet.

The Lady:

Hanna was about 5-7 with shortish brown hair, firm breasts, and wonderful eyes - keeping eye contact for a great deal of the time. Chardonnay was about the same height with longer blond hair and smaller breasts - but with amazing nipples.

The Story:

I was initially met by Chardonnay who took me up to a surprisingly cold room. A chance remark led to me suggesting that we be joined by Hanna, and we were reaccomodated into a far warmer room - and not just because of the body heat. We started with a four hand massage, with nice amounts of chat, followed by both ladies providing OWO, and then both providing cow-girl (the other maintaining contact for most of the time). I culminated with Hanna from behind - ably assisted by Chardonnay. I felt relaxed, comfortable, and unhurried. The ladies were very friendly and I will probably feel sufficiently confident to ask for more next time.
