The Story:

Started with a friendly kiss & she showed some real affection as we hugged & felt each other close together. Nice massage, she has a wonderful body with silky skin that turned me on. Couldn't get much better, until of course she slid her tongue around my ear & this was unbelievable ! Just completely raunchy..she truly lifted my temperature guage several degrees higher. Great oral, then I lay down beside her when she began to talk in low, horny sexy tones whilst I fingered her clit. Moved into mish & I loved every minute, she was connecting with me big-time & Leah knew when I was about to climax with her body motions sensing me all the time. Finished by massaging my hands over her fantastic body & looked admiringly at her beautifully-painted toe-nails !
