The Premises:

well known place in hockley. on my two previous visits i had seen the very charming, sweet, sexy Mo. i knew she was on holiday so hoped to see smiling Leah instead. however Leah was smiling elsewhere, so was shown through to the lounge by the very pleasant maid. before i had a chance to sit down a girl appeared like a genie out of the lamp. she introduced herself as babes. she was dressed in a red thong and see-through wrapover with no bra revealing lovely boobs and looked dead horny.

The Lady:

Babes is 22, with a lovely body. she has lovely smooth skin and is slim, but not skinny. she told me she is new having been here a few weeks and started here as a maid. she is pretty, very bubbly and chatty and has long hair.

The Story:

surprisingly Babes doesnt do full sex but she kisses and gave a very good massage and owo cim. i had owo in lots of positions and played with her pussy and boobs. one of her boobs has two pierced studs in which i found different. what with Mo, smiling Leah and now Babes i think i will have to win the lottery in 2005 please. A return visit is defo one of my new years resolutions.
