The Premises:

Cat's flat is a high class exec type place with intercom entry so no one knows where you're going, respectable area and felt totally safe.

The Lady:

Pics on Cat's website are real and upto date, mid 30's attractive blonde, curves where they should be, shaved with great boobs and arse.

The Story:

This was my first visit to an escort so I was very nervous. Cat will take time to talk to you first to settle the nerves, before taking you through to her bedroom where the fun begins. Cat's OWO is all that I had read it was, and it did the trick fairly quickly for me. After a bit of a chat, Cat applied the condom and climbed on top, followed by doggie then another BBBJ to finish.

Cat, if you read this, I had a great time with you and as soon as I get rid of the Discovery, I will be back for more.
