The Premises:

Massage parlour with a discrete back entrance and a car park at the rear. Fairly average decor but clean and safe place and the receptionist was friendly and helpful.

The Lady:

Very tall, slim brunette, early 20s with a friendly personality and easy to talk to. Paris was dressed in a black basque and fishnet stockings and looked very alluring.

The Story:

Paris gave a nice massage and kissed passionately which made me feel at home straightaway. She has lovely kissable boobs and I could not resist giving them the attention they deserved. After that she got down to some of the best oral I've had for a long while. We finished off with sex in mish.
