The Premises:

Clean but small and cluttered. Bedroom was nice, warm and clean. Decent enough area with parking that seemed safe.

The Lady:

Size 8, slim and attractive. Very pleasant and friendly.

The Story:

Nadia greeted me in matching black underwear with stockings. We got the financials out of the way then I had a quick shower.

Down to business and a nice long deep throat blowjob to completion with a discreet spit into some tissue. Then a little play and chat whilst she got me hard again and then I went down on her and brought her to climax.

On with the rubber with some sex in mish then Nadia climbed on top and rode me nice and long before off with the rubber and oral to completion again.

Lots of deep kissing throughout and nice conversation with Nadia making you feel special and welcome.

A good punt and terrific value for money.
