The Story:

Went for the full personal,sorted the money side out and she left the room for what seemed ages(why do they do that?)she returned wearing knee high boots, fishnet stockings and a nurse type white top.Mmmmm. Started with a massage for a while, she then slid a condom on with her mouth and gave a nice bj with lots of eye contact. I just love it when they do that! After more teasing she asked me how i wanted it. Thats all I'm going to kiss and tell but she was willing and able. On the down side no OWO or kissing was offered but i left satisfied and with a smile on my face.
