The Premises:

Safe rear entrance behind shops as described elsewhere / in previous reports. Small room for business so a little cramped but OK.

The Lady:

Very slim and wearing sexy transparent underwear. Long black hair. Italian looking with dark eyes and sensual lips. Noticed some bruising (as has been mentioned in previous reports I think). Her body was lovely and firm to hold.

The Story:

Extremely pleasant and made me welcome immediately - I am not a regular punter and was nervous. Kissing was fine and her oral was fantastic. She will allow cumming in mouth but doesn't swallow - I chose to continue and have full on sex in a couple of positions - literally exploded with pleasure as she ground her groin into mine- well recommended experience.

Thanks Punternet for allowing me to be so selective - certainly works for me!
