### The Story:

This has got to be one of my worst punts ever. A bit of a shame since my last contact with this agency was one of the better ones. Girl arrived 30 minutes late and was very chatty. She initiated the move upstairs, having refused to do anything downstairs 'cos it was "too cold".

On arrival upstairs, she stripped to bra and briefs but no further. She proceeded to give me a handjob and which went too far. She took my pre-cum as being the end, promptly dressed and left. While dressing she told me that the next time I booked her, she'd give me a nice slow strip and...

Despite this being an hours booking, she was here only for 30 minutes and I didn't even get to see her tits.

This was even worse than my previous worst (also reported here).

I won't be using her again and can't recommend her to anyone else either.
