The Lady:

Tiny babe with bumps in all the right places. Was pleasantly surprised at how pretty she was having had a few shocks in the past. Classy woman!

The Story:

The girl I usually see on my business trips to Glasgow was not available so decided to see Sophie for a change. Opened the door to a bubbly, smiling, hot little babe who was a delight to be with from start to finish...and what a finish!

Great company, professional, gorgeous and extremely well turned out. The whole experience was very passionate. Complete little tease...and I loved minute of it (but oh did she come up with the goods). Watch out for her guys, what a seductive little minx, lol.

All in all, a great experience...and one I hope to repeat.

And Sophie, if you read this, don't forget to tell me if you are ever down working here in London as I know a little restaurant you would just love.
