### The Premises:

I was buzzed in by the entry phone, up 4 floors to a very impressive apartment with the lounge just like any other, comfortable, clean, with a TV playing a hard core domination movie of her in action. I was immediatly relaxed and very turned on. She has the atmosphere very right to set the mood of what is to come.

### The Lady:

Mistress Adrianna is about 5foot 8 inches i think in bare feet but well over 6 foot in her thigh length boots and an unbeleivable figure in her tight PVC mini dress, a size 12 i would guess with brunette/blonde hair, very very sexy lady

### The Story:

I was greeted at the door by Mistress Adrianna in her thigh length boots and a PVC mini dress that had me drooling as i followed her into the lounge, I have never ever in all my time seen such a wonderfull ass and boy does she know how to move it. She told me to get undressed and on my knees in front of the TV and put a DVD on of her fucking a slave with a strap-on. She left the room and left me to relax, some chance of that, never had a hard on like this before in my entire perverted life. After about 15 minutes she opened the door and ordered me into the room behind her, a very very well equipped dungeon/play room with just about every imaginable item posible for BDSM and some things i still havent a clue what they were for.....

Im not going into to much detail but suffice it to say i was allowed to escape after over 4 hours of what has to be the most mind blowing experiance of my life, when i got back to my car i had to put the seat back and chill for what seemed ages as my mind was tottaly fucked up hahahaha..... As i have seen Mistress Adrianna once she told me i can now get appointments easier as she tends to stick to regular clients as she is in such demand she can pick and choose so i feel honoured :)

I will most deffinitely see her again as soon as posible and wont be bothering with any other mistress from now on.....i just know i would be dissapointed.
