### The Premises:

Very clean, nice house comfortable and at ease

### The Lady:

Blond. Early thirties. Nice breasts. Lovely slim figure and nice face.

### The Story:

Fabulous time.

Spent a few hours with her and her partner Brad doing a video session.

Felt really at ease- chatted for a while with a glass of wine then brad slipped away while Suzanne started on me. Then came back and we worked together.

Just about every position possible and finished with facial.

Got tape done for me -picked up later.

Couldn't imagine a better time.
