The Premises:

Place was comfortable apartment in a blk with a nosey porter who (I'm sure) knew what was going on when she asked which flat I wanted.

The Lady:

Attractive & slim black girl with HUGE boobs! Photos on website are accurate. A couple of tatoos -one on shoulder, one on bottom of back.

The Story:

Danni opened the door in her underwear and proceeded straight to the bedroom. Formalities over with and down to business.

Danni is very aware of what two assets get her all her business, and while her boobs are AMAZING she seemed very keen to just shove her tits in my face for the whole hour, very little kissing (no touns)and a cursory OWO and then back to the boobs.

I accept tha you wouldn't go to see Danni if you weren't interested in bigger boobs (and they are very impressive), but 40 minutes of just sucking on tits is a but dull - especially for ?350!!!

Aside from her boobs, Danni was friendly and a very pretty girl, but in my opinion there are busty girls out there that offer a better service (Pamela from Blonde centrefolds being top of the list) and are less expensive.
