The Premises:

Smart flat about 5 mins walk from Gloucester Road tube station. One of those embarrassing times hanging around on the front door step as the doorbell wasn't working ? luckily another tenant let me in after about 5 mins.

The Lady:

Main reason for writing this really is to say that the pics on the website do her no favours at all ? although she is superbly curvaceous, the effect of the pics is to give her a sort of 'mumsy' look. Nothing could be farther from the truth ? she is a very beautiful young Russian girl ? very limited English but who cares ? and if that waist is 28 inches, I'm a monkey's uncle - more like 25inches, I'd say. Beautiful bum which she twitches skillfully.

The Story:

For the rest, what do you expect to happen in 60 minutes ? We did all the usual things that naked men and WGs do together, and she was enthusiastic ? surprised when I told her she was coming in the shower with me, but happy to do so ? and was basically a very beautiful and nice fuck. Not a wild child, but an extremely pleasant way to spend an hour. I refuse to describe it as a GFE as I have never managed to persuade any GF to take all her clothes off and go to bed with me within 2 minutes of meeting ? perhaps I have been moving in the wrong circles !

Very good ? she's here for a couple more months ? go enjoy her.
