The Story:

Had shower and shortly after Morgan came bouncing into the room. She started chatting instantly and made me feel great. I had had a pretty crap working week and Morgan was just the tonic. Excellent massage to ease me into things then she started with the bbbj with her tongue that does superb things. I then returned the favour and got my face wet in her gorgeous pussy. Morgan then finished me off with more uncovered oral to completion. Fantastic.

Had a thoroughly good time and came out feeling great. Which after all is what this is all about.

Thanks.

Mike
