The Story:

I was delighted when I saw that Dianna had returned to escorting and this was my second visit to her since then. I was tempted to try to keep her to myself, but it seems only fair to others to let them know what a treasure she is.

We met in my hotel, and as always, she was prompt in her arrival. Smartly dressed in a grey trouser suit and carrying a briefcase ? an outward appearance that wouldn't cause raised eyebrows anywhere.

Knowing how to gain favour, I'd got the kettle nearly boiling and has provided a plentiful supply of tea-bags ? Typhoo, not Earl Grey.

We chatted while we had a cup of tea, and then the delights of removing the trouser suit to reveal the contents ? which would raise eyebrows anywhere, and not just eyebrows LOL. Dianna looked magnificent in a black lacy bra and almost negligible panties, and when I removed her bra, her breasts almost took my breath away, they are truly magnificent.

In spite of my admiration for her appearance, it isn't this that makes me keep returning. If you haven't experienced the delights of her O, and looked into her sparkling eyes as she looks up at you with your cock in her mouth, well, all I can say is that you have missed one of life's greatest pleasures.

I was delighted to return the oral pleasure, and relished the sweetness of her pussy ? and the enthusiasm with which she accepted my efforts. After that, and interspersed with further applications of Typhoo, we both (I know I did and believe she did) enjoyed the rest of our all too short time together in activities I leave it to the reader to imagine or experience for himself.

Will I return? Is the Pope Polish? I've already booked the next two appointments. Hoping to be able to manage an overnight when other factors permit.
