The Lady:

She got a terrific body and looks. The lady at the phone told me that I am missing something if I don't see her. That was true. She is gorgeous.

The Story:

She came and met me and I was really pleased by her beauty. She seemed like the gorgeous front desk gal u see in a reception and fancy about taking for a dinner and a all night shag. and we agreed on the service.

She does not do OWO or french kissing. That's a shame.

She gave me a massage. I thought it would be a body to body but she gave by hand. Then she gave me a covered blowjob. Her gorgeous looks turned me on.

There was mirror in 3 walls, covering most of the walls, and its really turned me on to see her view in the 3 mirrors, while she sucked me. I sucked and played with her tits and pussy. she did not want me to insert my fingers inside her but just play on the clit and labia. Then when I hard enough, I told her i wanted to do her from behind. I got up from the bed and she positioned for doggy syle. The sight of her from behind while she waited me to enter her was really delightful. I shagged ger for a while wathcing her in the mirror. Then I told her to change position and go for missionary. I like looking at her face when I shagged her, me on top and watched myself doing her in the mirror...it was like in a porn movie with those gorgeous gals. I came and laid on top of her for a moment.
