The Story:

Have wanted to see nadia for a long time having read her reports and was lucky enough to be in Bristol overnight. Arrived at her flat and was greeted very warmly with a lovely kiss and cuddle. Finances out of the way was offered a massage but just wanted to have a good feel of her. She was really nice and said I could have massage after the fun. She performed excellent OWO that felt good but not in a way to make me cum thankfully. I then performed oral on hr very sweet pussy to her enjoyment and a superb orgasm (thanks for the compliments Nadia0. Then more OWO for me and on with condom and slipped up her wet pussy in cowgirl. Came inside her after she had said I could cum twice. A lovely cuddle then more OWO but unfortunately a hard day and tiredness got the better of me and was unable to cum a 2nd time. Next time will fill her mouth!!!! Dressed and a kiss goodbye but she went to shop and kissed me in street as well. A lovely girl and very intelligent. Can't wait for next trip to Bristol.
