The Premises:

Louise's Secrets is based in the centre of Preston; you'll get east-to-follow directions on the phone, and parking is very convenient in a nearby Pay-and-display. It is a small parlour, with only 1 bedroom, but REALLY well done out. As a parlour, probably the nicest I've been in, and only Sandy's in Northenden comes near.

The Lady:

Patrice is in her 30s and stands at 5 feet 7 inches. As the proud owner of some 50+ reports, her physical appearance should be well known. Accurate pictures on the site, but, as nearly always, these fail to do justice to the vivacity in her eyes and the sense of fun she brings to the event.

The Story:

When Patrice was at Sandy's I had an appointment for her last day, and couldn't make it! (Stuck in traffic 40 miles away). It has taken me over 2 years to make up for lost time, and what a great start to the day! Louise welcomed me with a cup of coffee and a Hobnob, before Patrice led me up the stairs to the really nicely appointed bedroom for an hour of fun and pleasure.

In general terms, the best girls get the most reports. Patrice is currently lying in joint 10th place in the Punternet statistics. To those of us who have seen Patrice, this will be no surprise. For those who haven't - beat a path to her door and enjoy probably the definitive "GFE".

What went on in the bedroom remains between me and Patrice. Suffice it to say, we explored and enjoyed all her well known talents. 'Nuff Said!
