### The Story:

I was greeted at the door by an old lady who showed me to the bedroom and said the 2 girls working would be along in a minute so I could choose. Shortly after, 2 lovely girls presented themselves at the door, said their names and ran off! I managed to catch a glimpse of them both as they disappeared down the corridor - both looked very nice. One was blonde (named Lucy I think) and the other was a brunette named Lauren. She was my choice and after I had told the old lady, Lauren duly came back to the bedroom.

She was very attractive with a Eastenders Zoe look, quite tall with shoulder-length dark brown/black straight hair, pert breasts and lovely long legs. We undressed each other and I kissed and fondled her lovely breasts. Then I discovered she had a shaven pussy - my favourite! We lay on the bed and she proceeded to suck my nipples and then on to my cock (condom-covered by now). We went 69 and I licked and fingered her gorgeous pussy. I then asked her to lie back on the bed and gave her bare pussy a passionate lick - it was a beautiful sight with her lying on the bed, legs a-kimbo while I licked and fondled.

She then turned doggy and I slipped into her. After a brief while I asked her to lie on her back and we had a fabulous shag, with a great view of the whole show in the mirror above the bed head. I came with a big grunt (as always!!) and throbbed for ages afterwards. When I chatted with Lauren afterwards, it appears this was her first day in her new job and I was her first ever paying customer!! Wow! All I can say is she will be very popular and will be a millionaire before too long ;-)))

Pricing - 45 basic plus a fiver for licky-pussy (worth the extra!!)
