The Story:

Kate did everything and more....we all want something different and kate delivered. I wanted to be beaten up by a beautiful woman wearing nothing but sexy high heel boots and she duly obliged. She really went for it, thrusting her firm thighs into my stomach, high kicking me so the boots thud against my chest, throwing me to the ground, pinning me down under her booted heels and locking my head between her legs...she gave me the sexiest of beatings interspersed with incredibly erotic teasing. After beating me up she threw me on the bed and fucked me so hard that I screamed with joy!

You could say I highly recommend young Kate.
