The Premises:

Pretty grotty residential/business park mix, but then again this is Wycombe. Ample street parking and felt pretty safe. Terraced house, fairly untidy downstairs but the action room was perfectly adequate.

The Lady:

Opted for the lovely Sam ? about 5ft 6ins, incredible natural tits, very tasty pussy.

The Story:

What a find this place was!!! Went for the (bargain) ?80 OWO and anal combo, and the little lady did not disappoint. Kissing and cuddling was followed by a terrific blowjob and lovely comments on the state of my cock. Some oral and rimming then on with the Johnny for Sam to reverse onto my weapon. Arse was tight as a mouse's ear and it was some job not to lose the load there and then. Sam absolutely insists on cumming in her mouth, so it was off with the sheath and a massive load delivered down her throat. Very friendly chatting afterwards. Here is a WG who really enjoys her job. Sam, I will see you again very soon?
