The Premises:

I have visited VH on two occasions and again found it to be clean, a very well run establishment, everybody is keen to please.

The Lady:

I had booked another lady but due to big accident on the M1 staff had not been able to get to work, I was asked if Charlie would be a substitute, I was delighted with her a slim and very attractive blond with an hour glass figure, with a bubbly sense of humour. Great lady

The Story:

Went into the room and charlie gave me a brilliant massage with oil, then onto my front and she really knows how to get you up, started with oral followed by sex in various positions. 30 mins passed in no time.

I'll be seeing charlie again
