The Lady:

Both ladies are extremely attractive and friendly with great bodies.

The Story:

very pleasant "get to know you" followed in the sitting room where the ladies displayed their wonderful assets. Both are totally committed to pleasing the visitor - no bra, no thong etc if that is what you want! Due to their relaxed approach, I was now completely at ease and was invited into the bedroom.

There the fun began. A most wonderful display of girl/girl passion and there was no evidence of acting - it all came naturally and with toys. Then I was invited to join them and I was spoilt for choice in all aspects. I do not propose to give chapter and verse - that would be inappropriate. Somethings must be left to the imagination. However, suffice it to say that it was the most fantastic first for me and one to be definitely repeated.

If you are looking for an upmarket experience with genuine English ladies, never to be forgotten - look no further. Give Caroline or Sacha a call. You will not regret it!

A final point - although the meeting was for an hour, there was no rush. They really wanted me to leave happy but exhausted and this they achieved!

Thank you Sacha and Caroline
