### The Story:

Jane, if you are reading this, thanks for a fantastic hour.

This is my first report and it was tempting not to write it, such was the impression Jane created on me!!

Jane is a fantastic hostess who makes you feel very special immediately you start talking to her. I was offered some very nice, chilled white wine which was a very welcome addition to a rendezvous being squeezed between two business meetings.

What can I say about this Estonian beauty? Her presence and allure are captivating and her huge blue eyes still come back to tease me 24 hours after our meeting.

The sex felt special and very intimate - Jane freely admits she enjoys this job immensely - I am not going into detail but the 'creative' use of chilled white wine and a very passionate, willing partner allowed the remainder of a stressful day to pass with ease. An experience which deserved more than the one hour I allocated to it and I've already promised to return for a dinner date in a few months.
