The Lady:

Even more stunning than her photographs. An astonishing babe. 22yrs, Brazillian. About 5'10 I'd say. 36Dish. Hazel/brown eyes you could fall into. Smooth. Smooth. Smooth skin.

The Story:

I looked Christie for an hour originally, but was so blown away by her that she went home, got changed a, and we went for dinner instead. I mean, to say I was blown away is an understatement. This girl is everything, has everything and is an utter gem. After dinner the desert was just as wonderful. Real supermodel stuff. God bless her.
