The Story:

i have been trying to get an appointment with helen for 6 months final it all come together.arrived at the front door & met with a lingering kiss. then up stairs for the mother of all blow jobs. her blow job was simply the best of my hole life i shot my load in less than 5 minuities. she had me hard again in 10 minuities(very unusual for me as i am not a reapeater)we spent the next 50 minuities fucking suck licking in every position. a fantastic experience every man should try at leastonce in his life
thankyou helen 10/10.
