a little exposed at the front door but safe.
clean tidy with a good shower.

The Lady:

she looks a lot better in the flesh than the photos and she is hot in them.
about 5, 6 long blonde hair wonderful tits (enhanced) but very good.
long legs and very slim.
all in all, stunning.

The Story:

well this was a feb 14th treat to my self.
max had talked to me for ages about seeing melissa and one thing or another always came up.
managed to today.
was meet at the door and made to feel very welcome at once. into sitting room for a get to know
each other chat and a drink.
told that "i will slip into something sexier".
thought it could not get better than she was already dressed how wrong can you be.
had a shower then meet melissa in the living room again, for a round of kissing and strocking asked
ready for bed,
oh god yes
oral out of this world. into 69 and she was very responsive.
cim no problems.
clean up returned to my job and was rewarded with a big smile and a " we fuck now"
any position no problems then asked anal ok with you as i love it.
died and gone to heaven.
after a shower with melissa in the bathroom chatting away.

thanks max for talking me into seeing melissa as i would not normally spend 250
but she is good and i will be back

only one thing make sure you are ready to be fucked stupid.

very very good time with a wonderful lady who gives a very good service
