The Lady:

about 5,9 indian girl from newzealand. nice firm breasts and wonderful bottom..which looked great with her white thong. shaved below

The Story:

seemed shy at first, probaly new to the business, which appealed to me even more.
we both undressed,her tits were firm and larger than they looked in the pics. great for sucking.
started french kissing..she was very good at this and very aggressive.
lightly slapped her bottom which she didnt mind.
then i laid down, and she licked my inner thigh, and going onto some great OWO.
overall a great fuck..and very nice conversation afterwards..
