### The Premises:

Clean premises in a side street near City Centre...Easy PArking...felt quite safe.

### The Lady:

early twenties as described on the phone...nice breasts firm.

### The Story:

What a let down! This is the first time I have written a report but just had to! Waited ten minutes in a cold room before she came in looking not bad in boots and short skirt. BUT....no kissing...no fingering...(extra)...and anyway was sharp down below with hair growing back....absolutely no enthusiasm or conversation despite trying. On with the condom pretty well straight away for oral. Have to say that after trying different positions (and I ALWAYS come from behind) I didnt make it.....she has a lot to learn. In Lincoln on Tuesdays....based in Peterborough. Not an experience to be repeated. What a waste of ?55.
