The Premises:

Almost next to Earl's Court and very easy to find. Easy to find and safe. The flat was clean but the room itself was so small it only just fit a double bed with no where to swing your cat if you know what i mean.

The Lady:

Very attractive lady from Czech around 20 long blonde hair big blue eye. Real person not as nice as photos which was a shame. Lovely body and great boobs.

The Story:

Was shown to the little room than she left to make call. Came back a while than set on bed but no intention of making a move. Got some light kisses and i return the favour. I had to remove my own clothes and definitely no GFF to the whole thing. OWO was on offer but no eye contact just head down and on with the business. Couple of mins later head back up and was told time for little jonny. I ask for more OWO and was offered but again rushing to end. Jonny went on and started doggy. Round two was not on offer which was very disappointing. Sweet girl but not worth a re-visit or recommendation.
