The Premises:

Area is fairly safe, parked in a side street. jackies is a smart enough place, although seems to be going down hill a bit.

The Lady:

Id hoped to see leyla, but i think shes stopped working. Saw Celeste, mixed race girl, really fit body very slim, small tits say about thirty ish, thought what the hell.

The Story:

A really good punt. a thorough massage with lots of little kisses on my body. Turned over and she stripped and i sucked those little tits. She really seemd up for it. lay her back and sucked her pussy for ages which she really enjoyed, giving encouragement. I then stood by the bed and she returned the favour with a wet and slurpy owo, sight in the marror was fantastic. Then on to mish, her pussy was suprisingly tight, i can still see my cock pushing into her shaved pussy. came hard whilst kissing.
