### The Story:

As I have intimated before reason for late FR's was due to computer problems.

At last I booked Sophie, ensuring her time and services. she came for me as I was her first customer of the day. got into the room and was stiff already in anticipation she rubbed me then striped leving panties on and rubbed against my back turned and proceeded to kiss and caress and suck me off wow!!! then we sucked and fucked in 69, mish, cowgirl, Doggy and her on her stomach. until she brought me off with her hand about a min before my time was up. A beautiful girl and time had by me, she may have model looks but is hot and horny.....Hope to do it again real soon....still wank off to it..when the girlfriend isn't around...oh and thanks Sophie for my request it was great.

She's a star guys treat her well xxx

Might just add Have been with Natasha both here and at previous place L.S.S. ages ago heard she was still around another beauty guys
