The Story:

Went for the customary house special, Nina was excellent in the shower, with lots of kissing. Returned to the bedroom for a nice massage on my back. Nina told me to turn over and started some sensual attention on my front, including the important areas. After a few minutes, Nina decided to tie my hands to the bed (she is a real pervert) and she continued to arouse all the important bit, covered oral which almost got me to complete, before she climbed on top and rode me to completion. One of the best services I have had.
