The Premises:

Travel lodge type Hotel-clean enough but was a bit worried about passing the reception area.Parking no problem.

The Lady:

Quite pretty-very young looking,almost girlish.unfortunatly not dressed very sexily in just bra and knickers-would have preffered a short skirt and stockings.

The Story:

Seems very shy and softly spoken-some nice kissing and tit play followed by oral without-managed to position her on top and gave oral and rimming to her as she sucked.asked for anal.condom on and she climbed straight on-nice and tight-rode me till i came-not offered anything more afterwards but not much time left.prepared to sit in the nude with that lovely shaved pussy on display (very prominent)and talk till the end of my time.
